Dear Semeepark,

I spoke to Doug Tripp today and he asked me to reach out to you for your help.

I am writing to request your assistance with asking Councilmember Englander if he would be interested in being a speaker for our upcoming California Healthy Beverage Summit 2013. We would like him to highlight the Los Angeles motion to improve healthy beverage in parks and libraries. Attached is a draft agenda (confidential as of today) and Save the Date. I look forward to hearing from you. When might you get back to me?

Rosa

Cindy replied back saying Mitch won't be able to make it.

Rosa called me today to set up a meeting to discuss next steps and timeline. I know it's a matter of connecting with Mitch to get direction. Let me know if there's anything else I should be aware of.

Thanks
